Joyful Morning Contracting Est.- JMC

jmc@jmc-sa.com

ABOUT US

JMC is a Saudi establishment, was founded in 2016 to carry out electrical contracting and trading activities in different regions in Saudi Arabia.

JMC is working in several electrical fields such as:

- Electrical Engineering (MV & LV).
- Electrical Equipments & Accessories.
- Outdoor & Indoor Lighting System.
- Solar System.
- Supply & Installation.
- Testing & Commissioning.

JMC has a very good record of growth and we trust that our business success was a result of delivering the best quality and service to our customers.

OUR VISION

Creating added value for our customers by providing the best products & solutions.

OUR MISSION

To provide our customers with best solutions and products, so they can focus on their core business to achieve operational excellence and increase profitability. We say what we do and do what we say.

OUR VALUES

CUSTOMER FOCUS

By giving the customers exactly what they need. This applies both to products and to services. To achieve this, we always listen to our customers, understand their requirements and develop appropriate solutions to be their partner in business.

DEVELOPMENT AND INNOVATION

Through continuous research and development the innovations comes, as the provision of innovative products and innovative services leading to innovative solutions for our customers, and anticipate and meet customers' needs.

RELIABILITY

Through a commitment always to promises, honest and open, and to provide all necessary assistance and to provide the product in excellent condition, the required quantity, and in the promised time, so that the customer can always rely on us, our services and our products.
